English Worship
in Luther's Churches

At Lutherstadt Wittenberg, Germany

Each year from May 1 – Oct. 31

Celebrate the Gospel brought to life
by **Martin Luther**

**"A person is...justified...by grace through faith
...on account of Christ."**

[Romans 3]

Opportunities

When in Wittenberg, you have the special opportunity to worship God in the very churches where Dr. Martin Luther preached and taught, to hear the Word of God, pray, and sing the hymns of faith.

Attend...the Castle Church

Imagine yourself seated in the Castle Church ("Allerheiligen" – "All Saints") hearing the echoes of the hammer blows on the door, while being surrounded by the many heroes of the Reformation, who still witness to the Reformation faith today!

Visit...the Town Church

Picture yourself worshipping in the nave of the Town Church ("Sancte Marien" – St. Mary's) facing the world famous Altar paintings of Lukas Cranach, the Younger, that portray Luther's rich Biblical theology at the heart of the Reformation.

Listen...to the music of great pipe organs

At both churches, your heart will thrill to the inspiring church music played on superb pipe organs that rank among the finest in Germany. What joy it is to sing "A Mighty Fortress" in English to such stunning accompaniment!

**"I was glad when they said to me,
let us go to the house of the Lord."**

[Psalm 122:1]

Highlights

You will experience what others have said repeatedly, that the opportunity to worship in English and to sing "A Mighty Fortress," the Battle Hymn of the Reformation, at Luther's church is the spiritual highlight of their visit to Wittenberg.

All services are conducted by volunteer Lutheran pastors from the USA, Canada and Australia, who are committed to Luther's theology as expressed through the Ecumenical Creeds and the Augsburg Confession.

Hotel Accommodations

We recommend the *Luther Hotel Wittenberg*. Located in the heart of town, it is an easy walk to all the Luther sites. Also, it is most welcoming to English-speaking guests and is where all our pastors stay.
